

Vancouver Schools District Honour Band

Student Code of Conduct

During the duration of the Honour Band cycle, each student will be acting as a representative of their home school and class as well as of the Vancouver District as a whole. As such, it is expected that every student will conduct themselves in a manner that reflects positively on our school communities. All students are expected to follow the school's Code of Conduct during this trip. In addition, please be reminded that:

Students will treat all students, volunteers, and other participants with respect, and follow the instructions of chaperones and supervising adults at all times.

Damage to accommodations, instructional facilities, or recreational facilities will incur a cost to student(s) responsible for the damage.

Students will refrain from interfering with the enjoyment of others during the excursion. This includes disruptive behaviour or actions that would bring discomfort to others or dishonour to the school.

The Vancouver Board of Education requires that there be no alcohol or drugs during school events or on school premises. Provincial alcohol, tobacco and marijuana purchase and consumption laws are superseded by this VBE regulation. Students found using or in possession of drugs (including vapes) or alcohol will be removed from the Honour Band program without reimbursement, and will be subject to further consequences such as, and not limited to, school suspension at the discretion of their school's administration.

I, _____, understand and will comply with the above regulations. I further understand that failure to comply will result in consequences outlined in this contract.
