

Banff Meal Plan

Dear Banff Participants,

Our trip to Banff is going to be amazing, and what you plan to eat while you're there will factor greatly into your daily enjoyment on tour! Food is good for your brain and body, and it's important that we're thinking of taking care of both while we participate in this awesome learning experience, and while we share rooms (and bathrooms) with our friends and soon-to-be friends.

All told, you are responsible for purchasing 3 lunches (an estimated total of \$30-45) while we're out and about, and for making 3 breakfasts, up to 3 lunches, and 2-3 dinners at Banff Hidden Ridge Resort. The money you will receive at IGA (an average of \$35/person) is what you will use to buy groceries to feed yourselves for these meals. Planning ahead makes shopping quick and easy. Your room will also be given a \$35 budget for the Cookie Contest. You are expected to use this money for your meals and the cookie contest, not for junk food, although most groups will find enough money in their budget for some **healthy** snacks too.

Here's more of a daily food run-down, based on our itinerary:

Grocery Basics to Purchase and Share: Butter or Oil. Flour shared between rooms for cookies. Rice shared between rooms. Salt and Pepper should be available in rooms.

Grocery Basics to Bring from Home: seasoning/spices for your planned meals (e.g. oregano, basil, coriander, cumin, etc.), specialty oils, vinegars, condiments. Expensive specialty items for Cookie Contest (e.g. baking powder, vanilla, cocoa, coconut flakes, etc., pre-sorted in bags by recipe), tea packages and drink mixes. Tupperware containers, **ice packs** and lunch bags would be extremely handy for lunches and leftovers. *Always bring a water bottle with you to stay hydrated.*
